

An aerial photograph of a tropical beach. The top left shows a sandy beach with several rows of colorful beach umbrellas (red, orange, yellow) and lounge chairs. The water is a vibrant turquoise color, with some people swimming. A rocky coastline is visible on the right side. In the lower half of the image, a white speedboat is moving through the water, leaving a wake. The text 'BROCHURE 2023 / 2024 Saint Martin' is overlaid in a dark, rounded rectangular box with a gold border.
